

Middle School Hip Hop - Costume Guidelines for the Recital:

We're so excited to see everyone shine on stage in just a few weeks!

Everyone received matching **black pants** to wear for your hip-hop dance. You will be responsible for putting together your **own top and sneakers** that follow this color theme:

Color Scheme: White, Green, and Red (Italian Flag)

- Your **top should include at least two** of these colors.
- You **don't need to use all three**, but feel free to if you'd like!
- We encourage **layered looks**— off the shoulder t-shirts with a colored sports bra underneath, zip up sweatshirts with a tank top showing at the top, or creative combos that show your style while fitting the theme.
- A little bit of black is okay to include in your top, but it should not be the main color.

Sneakers should also match the color scheme.

Try to avoid several logos or writing on clothing if possible so the overall look stays clean and unified.

Please bring in your costume (including all accessories) on Monday May 12th to have it approved by the studio.

Thank you for your help making this performance a success—we can't wait to see you all dance in style!

Here are the shades of green and red that should be used for the costume:
