# What to expect at the Professional Picture Day on Sunday June 1, 2025

## **How and when should my student arrive?**

Please arrive 15 minutes prior to your scheduled time with your dancer photo ready in tights, shoes and first costume. Hair should be done per class instructions for group photos.

## **Being on time**

We plan on running on schedule to respect everyone's time. If your student misses the window to participate in their class group photo, it will not be taken again. Group photos will happen at the start of the time slot and individual pics will be taken after the group.

## **How much does it cost to have the photos of my student sent to me?**

Kasey Canzano will be available before picture day to discuss photo packages. She will not be available to discuss any packages during picture day, you need to have this done before picture day so we know who will be ordering pictures. The best way to contact Kasey with questions is by email: [Kaseycanzanostyle@gmail.com](mailto:Kaseycanzanostyle@gmail.com)

## **I don't plan on purchasing any professional photos. Does my student still have to attend photo day?**

Photo day is not mandatory but is highly encouraged. Photos will be used on upcoming advertisements and displayed around the school for years to come! All students will need to participate in the class group photo if attending the event, even if not planning to purchase.

## **Can my daughter/siblings take photos together, even if they are in different classes?**

Absolutely! Keep an eye on the photo shoot schedule to see when you would prefer your children to collaborate in a family photo. This would be following one of your students' group shoots. All solo/family photos are captured immediately after the class group shoot.

## **Do I have to stay with my child the whole time?**

If you have a child in 3<sup>rd</sup> grade or under and/or a dancer that may need assistance changing please plan on assisting them or asking another mother to assist with their costume changes in between photo shoots.

## **Where can my dancer change in between photoshoots?**

The back dance studio will be used as the changing area. The bathroom will not be used as a changing area to save this space for anyone that needs to use the bathroom.

## **Snacks and entertainment**

Be prepared to have some down time in between your students schedule photo shoot times. Please feel free to bring things to keep them occupied. Packing snacks and water is encouraged for students who have 3+ photos scheduled. Please remember to tidy up after your dancers before leaving for the day. Eating should not occur while in costume. Avoid powdery, oily snacks and chocolate. No colored drinks or juices. NUT FREE SNACKS ONLY.

## **Costume reminders**

Costumes cannot be replaced. All costumes should remain on labeled hangers/bags to assure organization and eliminate the risk of losing accessories before the big show. Please initial the tags inside costumes, shoes or anything else you think should be labeled.

## **Makeup/Hair**

Hair and makeup should appear the same it would at show time. Don't forget extra bobby pins, hairspray and makeup needed for touch ups.

## **Undergarments**

No colored underwear or bra straps should be showing during photos.

## **No use of cell phone/camera**

Capturing images with personal cell phones or cameras is not allowed.
